

**CONDOR COUNTRY**  
CONSULTING, INC.

---

*Client:* California Department of Transportation – District 3  
*Services:* State Highway 299 Natural Environment  
Study/Phase I-III Archaeological Services, Shasta  
and Tehama Counties, California  
*Year:* 2006-2007  
*Value:* \$66,172

*Description of services rendered:* Condor Country prepared a Natural Environment Study (NES) for the State Highway 299 Realignment. Staff was responsible for preparing all portions of the NES except the wetlands section. The most challenging issues included salmonids and spotted owls. Condor Country also directed archaeological survey and Phase III archaeological testing for project at two pre-historic sites. Mr. Dexter at Condor Country Consulting contributed to the Archaeological Survey and Testing Reports as a subcontractor to URS Corporation. Condor Country fee \$66,172.
